

Landscape Architect Review

- ☒ NO EXCEPTIONS TAKEN ☐ REJECTED
- ☐ MAKE CORRECTIONS NOTED ☐ NO ACTION REQUIRED
- ☐ REVISE AND RESUBMIT ☐ NOT SUBJECT TO REVIEW

Reviewing is only for conformance with information given and the general design concept expressed in the Contract Documents. The Contractor is responsible for dimensions to be confirmed and correlated at the site; for information that pertains solely to the fabrication process and to means, methods, techniques, sequence, and procedure of construction; and for coordination of the Work of all trades. Review does not authorize changes to Contract Amount unless stated in a duly executed Change Order.

Disapproved Resubmit _____

Checked for general conformity to plans & specifications. By this submittal, I hereby represent that I have determined and verified all field measurements, data and I have checked and coordinated each item with other applicable approved shop drawings and all Contract requirements. Approval does not relieve submitter of responsibility for conformity to contract documents.
